**Attention: PCT DO/EO/US**

Sir:

This is an Information Disclosure Statement submitted under 37 C.F.R.1.97 within the time specified under 37 CFR 1.97(b).

The references cited in the attached Form PTO-1449 were first cited in the enclosed International Search Report issued by the European Patent Office in connection with the above international application. The enclosed references are believed to be material to the patentability of the present invention, as indicated in the attached search report. It is understood that the European Patent Office has sent a copy of each of the cited references to the U.S. Patent and Trademark Office. If this is not the case, please contact Applicants' representative at the telephone number listed below. However, for the Examiner's convenience, the cited references are attached hereto.

In view of the above, all requirements of 37 CRF 1.97 and all official guidelines pertaining to Information Disclosure Statements have been complied with, and it is therefore respectfully requested that the Examiner consider the references and make them of record.

A copy of the U.S. patents and/or U.S. patent publications are not provided because this international application has entered the national stage under 35 USC § 371 after June 30, 2003.

*See* 37 CFR 1.491(b).

Respectfully submitted,

---
